Stay up-to-date with the latest innovations
– get to know the vehicles for European competitiveness
– meet the key people and organisations

-  **The Conference:** Plenaries, sessions and workshops with more than 100 speakers
-  **Latest research results:** Posters, introducing the state-of-the-art of nanotech research
-  **The most successful EU projects:** Awarded and introduced at FutureFlash! showcase
-  **New partners and collaborators:** Brokerage event on the 3rd conference day
-  **Latvian Saiets:** Excellent research and innovative companies from Latvia
-  **Networking events:** Dinner and entertainment introducing the best sides of Latvian culture
-  **NanoTech Europe exhibition:** 50+ exhibitors: industry, research and policy organisations

Over 100 international high profile speakers will discuss current topics within nanotechnologies and materials

Provisional plenary themes

- Industrial nanotechnology and advanced materials supporting the European manufacturing renaissance
- Trends and Innovation demands on nanotechnology and advanced materials
- Infrastructures and framework conditions for rapid deployment of nanotechnology and advanced materials
- Winning the competition: success stories and lessons learned

Provisional tracks of parallel sessions

- Nanotechnology in Industrial Applications
- Advances in enabling nanotechnologies, nanomaterials and nanomanufacturing
- Collaborations and policies for accelerating Innovation and uptake of Nanotechnology based solutions

Get involved in the EuroNanoForum 2015 and...

Participate as event delegate

Join the brokerage day

Submit an abstract for the poster session or for an oral presentation

Apply for the Best Project 2015 award and the FutureFlash! showcase

Present activities at the Nanotech Europe exhibition
