Prof. Elvira Fortunato  
Faculdade de Ciencia e Tecnologia  
Quinta da Torre  
2829-516 Caparica  
Portugal

Date 30/03/2011

Dear Professor Fortunato,

It gives me great pleasure to inform you that Gold Mercury International and AIMMP have assessed your contribution to research in the direction of sustainability and have selected as the winner of the **Gold Mercury Sustainability Awards 2010** in the Special Category - **Personality of the Year**.

Gold Mercury believes that you deserve recognition for your work and professional career dedicated to the investigation, development and research in the field of Materials Research & Science and TRANSPARENT ELECTRONICS including transistors that can be applied to surfaces of paper, glass, ceramic, metal or plastic and memory paper. Your new technology can lead to a large reduction of production costs improving sustainable development.

The Gold Mercury Sustainability Award is given to individuals, organisations and corporations who strongly uphold environmentally friendly practices or have found innovative ways to further grow their business and society while protecting the global environment.

On behalf of Gold Mercury International and AIMMP, I would like to take the opportunity to congratulate you on winning one of our most valued Awards.

The Award Ceremony to present you with the AWARD will take place at a Gala Dinner to be held in Lisbon on the 7<sup>th</sup> of APRIL 2010 at FIL - FEIRA INTERNACIONAL DE LISBOA, starting at 8.00pm. Please reserve this date and time in your calendar.

We will also contact you by phone to congratulate you and invite you personally to the Award Ceremony. You can find more information about the Awards at [www.sustainabilityawards.eu](http://www.sustainabilityawards.eu) and [www.goldmercury.org](http://www.goldmercury.org)

Our most sincere congratulations,

Nicolas De Santis  
Secretary-General  
Gold Mercury International

Cc: Fernando Rolin – President AIMMP
